World Integrated Medicine Forum (WIMF)

WIMF Mission: The mission of the World Integrated Medicine Forum is to further develop evidence based Traditional and Integrated Systems of Medicine by promoting public-private co-operation.

WIMF Vision: The World Integrated Medicine Forum (WIMF) engages government, political, business and academic leaders to shape global and regional agendas concerning Integrated Medicine. Progress and change happens by creating mutual understanding and bringing together diverse stakeholders from the global community. This will foster the implementation of Traditional and Integrated systems of medicine into health care and health promotion both globally and regionally.

What makes the World Integrated Medicine Forum unique?

- A place where key stakeholders in the rapidly growing field of Traditional and Integrated Medicine can meet for high level strategic discussions on the current status and future.
- Focused on a specific theme.
- High level, strategic discussion on themes affecting the delivery, availability and development of evidence based Traditional and Integrated Medicine systems.

The World Integrated Medicine Forum on the regulation of Homoeopathic Medicinal Products with the theme 'Advancing Global Collaboration' was inaugurated on 23 January, 2019 by Hon'ble Minister of State for AYUSH (I/C), Shri Sripad Yesso Naik. The three-day forum from 23 to 25 January, 2019 has been organised by Central Council for Research in Homeopathy (CCRH), with the support of Ministry of AYUSH, Homoeopathic Pharmacopoeia Convention of the United States (HPCUS) and European Coalition on Homeopathic & Anthroposophic Medicinal Products (ECHAMP), Pharmacopoeia Commission of Indian Medicine and Homoeopathy and Central Drugs Standard Control Organization (CDSCO). The forum has participation of key public and private sector stakeholders, such as representatives from World Health Organisation (WHO) and drug regulatory authorities, as well as pharmacopoeia experts and industrialists from various countries. Among the delegates are also present veterinary experts, as well as the regulators and drug controllers of various states of India.

Hon'ble Minister of State for AYUSH (IC), Shri Sripad Yesso Naik released a book 'A ready reckoner of Homoeopathic Medicines in different

Pharmacopoeias' at the inauguration of the World Integrated Medicine Forum on the Regulations of Homeopathic Medicinal Products at Goa.

Year End Review 2018- Ministry of AYUSH

- All India Institute of Ayurveda, (AIIA) Phase-I Started-National Institute of Homoeopathy Being Set Up.
- Main Event of International Day of Yoga Celebrated in Dehradun-50,000 People Performed Yoga Along with the PM.
- Homoeopathy Central Council (Amendment) Act, 2018 Comes in to Effect.
- IT Education Launched for Ayush Professionals in Collaboration with C-DAC.

The Ministry of AYUSH through its multi pronged strategy in year 2018 has been able to bring alternative system of medicine particularly Ayurveda and Homeopathy in to mainstream of the public health system in India. During the year, usage of Information Technology in AYUSH system was given prominence, new Hospital and Research Centers opened and MoUs signed with several stakeholders including several Ministries and Countries for disseminating benefits of traditional systems all over the country and abroad. The Ministry continued to propagate, publicise and popularise the alternate system of medicine with an aim of minimising the gap between demand and supply of medical facilities in the country. Following are the significant achievements and details of the important activities of Ministry of AYUSH during the year.

Unani Therapies

Ilaj-bil-Tadbir (Regimenal therapy): is special technique/physical methods of treatment to improve the health as per the constitution of body by removing waste materials and improving the defense mechanism of the body and protect health.

Ilaj-bil-Ghiza (Dieto Therapy): By regulating the quality and quantity of food several ailments are treated successfully. There are several published books, which deals with the subject of diet in relation to specific diseases. Certain foods are considered as laxative, diuretic and diaphoretic.

Surgery (Ilaj-bil-Yad) : This therapy is of very limited use, although the Unani system is credited to be pioneer in this field and having developed its own instruments and techniques. At present only minor surgery is in use in the system.

Mizaj (Temperament): The individuals temperament is believed to be the result of the interaction of the elements. The temperament can be real equitable where the four elements used are in equal quantities.

Ruh (Spirit) is a gaseous substance, obtained from the inspired air, it helps in all the metabolic activities of the body. It burns the Akhlat latifah to produce all kinds of quwa (powers) and Hararat ghariziyah, it is the source of vitality for all the organs of the body.
