1st edition of 'Rising North East'-Investors Summit 2025 on 23-24 May, 2025 at Bharat Mandapam, New Delhi, India

The Ministry of Development of North Eastern Region (MDoNER) is organizing the **'1st edition** of **'Rising North East'-Investors Summit 2025** on **23-24 May, 2025** at **Bharat Mandapam**, **New Delhi'** to promote trade and investment in the region. The Summit is intended to provide a platform for an immersive dialogue between the business community, financial institutions and relevant government stakeholders for forging mutually beneficial partnerships.

2. Focus Sectors and Key Components:

The focus sectors of the summit include investment in Tourism & Hospitality, Agri, Food Processing & allied sectors, Textiles, Handloom and Handicrafts, Healthcare, Education and Skill Development, IT and ITeS, Entertainment & Sports, Infrastructure and Logistics, Energy. The **key components** of the Summit include 11 technical sessions on focus sectors of the Summit, B2G & B2B sessions, Exhibition by 8 NE States/Central Ministries highlighting the policies as well as investible projects in NER etc. Sectors profiles are available at https://risingnortheast.in/download/.

3. The summit will enable investors to participate in the Northeast Region's transformation as a manufacturing and services hub. It will also provide companies looking to access emerging markets in ASEAN and BBN countries an opportunity to learn about the incentive and policy framework in the Northeast and how to leverage it for venturing beyond borders. Potential investors from diverse sectors are expected to attend the Rising Northeast to explore investment opportunities in NER with an eye on the markets of northeast and ASEAN.

4. Why North-East?

The North-Eastern Region (NER) encompasses a group of eight states, namely Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim, and Tripura. This region is of immense strategic importance for India as it serves as a gateway to Southeast Asia, with each state sharing a border with at least one Southeast Asian nation. The primary industries in the NER's industrial sector include agriculture, food processing, and mineral extraction, with notable businesses in bamboo, natural gas and oil, plastic, coal, silk, jute, tea, and petroleum sectors. In recent years, significant investments have been pouring into sectors like food processing, pharmaceuticals, tourism and hospitality, cement, education, healthcare, and infrastructure, laying the foundation for the NER's overall development.
