2. EIMA Agrimach India 2025, is the only business to business event of its kind offering a single venue interface between Indian & global players in the agri-machinery sector. The event is inspired by EIMA International, the second largest exhibition and conference on farm mechanization in the world. It envisages showcasing the best and latest in agri-machineries, besides providing an excellent opportunity to Indian and overseas players catering to the entire value chain through vertical based national and international pavilions. For more information, visit <https://eimaagrimach.in/>

3. **EIMA AGRIMACH INDIA 2025: Highlights**

- EIMA Agrimach India is the most important trade show in India on agricultural machinery with visitor numbers reaching over 40,000.
- The show is supported by Ministry of Agriculture & Farmers Welfare, Govt. of India, thereby providing an opportunity for participants to interact with the nation's policy makers, agri business industry & delegates.
- Live Demos on latest trends in agri-automation. Experience the first-hand power of mechanized agriculture.
- EIMA Agrimach India enjoys a leading position as a forum to develop partnerships, alliances and new investments in the agricultural machinery industry with agro-mechanization majors, progressive farmers, contractors and dealers from all over the world.
- A never before opportunity for Indian players to showcase their strengths & specialties to a global audience and make presentations & demonstrations of their products and services.
- An international conference on farm mechanization deliberating on a wide range of topics.
- Improve business know how, imbibe the world's latest and biggest trends in business & expand your horizons
