

24th edition of BioAsia 2027, from 15-17 February 2027 in Hyderabad, India.

Government of Telangana is hosting 24th edition of BioAsia 2027, scheduled to be held from 15-17 February 2027 in Hyderabad, India. Organized by Telangana Lifesciences, the theme for this flagship event is "Beyond Boundaries," emphasizing the unique convergence of life sciences and cutting-edge technology.

2. As India continues to strengthen its position as a global leader in life sciences and healthcare, BioAsia serves as an important international platform for showcasing advancements, encouraging innovation, and fostering collaboration across the global life sciences ecosystem.

3. For over two decades, BioAsia has established itself as one of Asia's premier platforms for collaboration, innovation, and investment in life sciences and healthcare. Guided by the theme "Beyond Boundaries," BioAsia 2027 will bring together stakeholders from pharmaceuticals, biotechnology, vaccines, medical technology, healthcare, digital health, artificial intelligence, academia, research, investment, and government to highlight emerging opportunities and strengthen global engagement. 4. The 2026 edition of BioAsia attracted over 1,500 registered delegates and 4,500 visitors from more than 30 countries, reaffirming its standing as a significant international platform for life sciences and healthcare sectors.

5. The three-day international summit is structurally split to maximize ecosystem value:

- Conference & Exhibition (Feb 15–16): Focused on global leadership dialogues, technology breakthroughs, advanced therapeutics, enterprise AI readiness, and a global B2B exhibition showcasing digital health, medical devices, and next-gen tech.

- Park Visits (Feb 17): Dedicated to field visits across Telangana's major life sciences hubs, such as Genome Valley, Medical Devices Park, and Hyderabad Pharma City, to explore regional capabilities firsthand
