

Navigating Change: Technology, Trust, and Trade
Leading the Way in a New World Order
12th and 13th November 2026: Vishakhapatnam, Andhra Pradesh

31st edition of the CII Partnership Summit 2026, Scheduled on 12-13 November 2026 in Visakhapatnam, Andhra Pradesh, India

The Ministry of Commerce and Industry, Government of India, in collaboration with the Government of Andhra Pradesh and the Confederation of Indian Industry (CII), is organizing the **31st edition of the Partnership Summit 2026 from 12-13 November 2026 in Visakhapatnam, Andhra Pradesh** - one of India's most dynamic and investment-friendly states. The theme of this year Partnership Summit 'Navigating Change: Technology Trust, and Trade, Leading the Way in a New World Order'. [Concept Note – CLICK HERE](#).

2. Since its inception in 1995, the Partnership Summit has evolved into India's flagship platform for global economic dialogue and international engagement. The 30th edition of the Summit, held in November 2025, witnessed participation from Ministers, policymakers, global business leaders, academia, and over 3,000 delegates, including significant international representation from nearly 60 countries.

3. The Partnership Summit 2026 will convene global leaders, policymakers, industry captains, academicians, and thought leaders to foster solution-oriented dialogue and meaningful partnerships under the theme "Navigating Change: Technology, Trust, and Trade – Leading the Way in a New World Order." For more information, visit <https://partnershipsummit.com/>

4. The deliberations will focus on key forces shaping the future global economy, including trade intelligence, global economic fragmentation, defence and emerging technologies, critical minerals, sustainable food systems, artificial intelligence and quantum computing, smart manufacturing, green energy and clean technologies, future mobility, and the evolving landscape of digital and future skills. The Summit seeks to strengthen international collaboration in addressing shared challenges while unlocking new opportunities for growth, resilience, and sustainable development.
