49 Bus Terminals on PPP | RFP – Uttar Pradesh, India

May 2026

Uttar Pradesh on trajectory to \$1 trillion economy with policy push + investment led growth - fastest growing large state economy

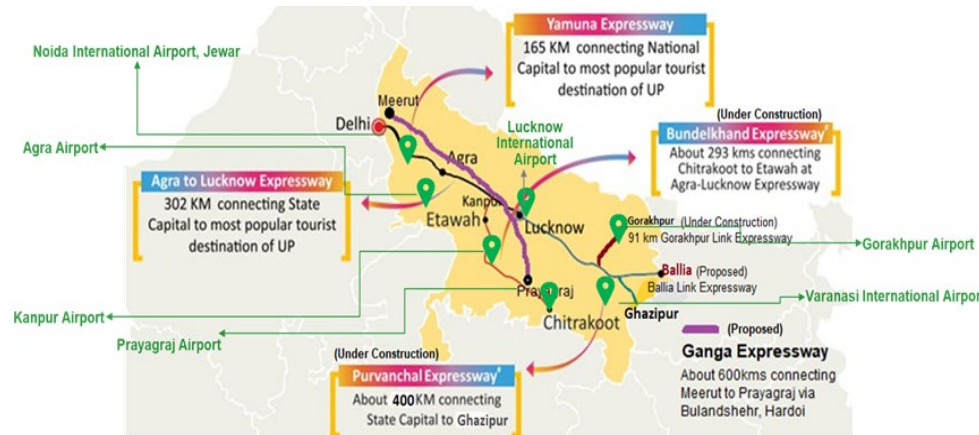

Massive & Fast-Growing Economy

- Contributes > 9% to India's GDP
- 2nd largest economy in the country
- 2nd Rank in EoDB
- Highest number of MSMEs (14% of country)

India's Infrastructure Hub

- Largest Road Network (>12,000 km of NH and >8,000 km of SH)
- >1,300 km of Expressways operational
- >1,500 km of Expressways Planned
- Largest Rail network (>9,000 rkm)
- 16 Airports operational (incl. 5 International)
- 7 Metro rail operational (5 upcoming)

>55% of population in working age group - **Youngest Workforce**

>240 Million population
(~17% of India's population)

Rapid Tier-2 city growth & urbanization – high mobility demand

Bus transport remains most accessible mode

Uttar Pradesh is building India's **largest mobility ecosystem** and bus terminals are critical infrastructure in this transformative journey.

Strong Demand Base

- > **80%** passenger traffic via roads
- Buses = **backbone** of intercity travel
- High and **consistent** daily footfall
- Stable revenues (*predictable & resilient cash flows*)

Bus Terminal PPPs
are high-yield urban
commercial
infrastructure
platforms

Revenue & Financial Upside

- **Retail** and **F&B, Commercial** leasing opportunities, Ads and **parking** monetisation
- High margins (EBITA) due to fixed asset nature and increasing utilisation
- Hybrid of transport infrastructure + real estate delivering strong returns

Long-Term Stability

- Premium FAR benefits with additional FAR purchase option
- Long-term concession (90 year)
- Stable and tested PPP framework (**1st phase – 23 PPP bus terminals awarded**)
- Phased development flexibility.

PPP Structure for development of Bus Terminals

PPP Structure	<ul style="list-style-type: none"> DBFOT (Design, Build, Finance, Operate and Transfer)
Concession Period	<ul style="list-style-type: none"> 35 years for Bus Terminal Project Facility; with FRoR (+25 years extension) 90 years for Bus Terminal Commercial Assets (BTCA) + Commercial Complex (CC)
Development Timeline	<ul style="list-style-type: none"> Mandatory Obligation: Bus Terminal Project Facility and Workshop (if applicable) within 2 years from Appointed Date Phased Commercial Development - Minimum 40% of built-up area for BTCA & CC within 7 years from Appointed Date
O&M Timeline	<ul style="list-style-type: none"> O&M of BTPF, BTCA & CC as per Concession period
FAR	<ul style="list-style-type: none"> 2.5 with additional purchasable FAR or TOD FAR also available subject to approvals
Ground Coverage	<ul style="list-style-type: none"> Maximum after ensuring setbacks and circulation as per applicable local building construction and development bye laws

Key Points

- Bus Station Operations and Bus Operations by UPSRTC
- UPSRTC provides RoW/Site Access and support in permits & utilities
- Defined Concession/ License Fee and Premium framework
- Concessionaire rights to collect and appropriate user charges
- Facility to bid for one or more or all projects

Salient Features of the Concession for PPP development of bus terminals

Concession Period

90 years for Commercial
35 years for Bus Terminal (+ 25 years with extension provision)

Bid Parameter

Upfront Premium payable in five instalments i.e. 30%,20%,20%,20% and 10%

Annual License Fee

0.5 % of Circle Rate every year; to be escalated by 10% every 3 years

Construction Period

2 years for Bus Terminal
7 years for first phase of Commercial Complex

Encumbrance on Commercial

Encumbrance on Project Assets forming part of the Commercial Complex (excluding the land) only in favour of Senior Lenders that are Schedule Banks is allowed

Sub license rights

Concessionaire will intimate Authority of the sub-license agreement executed between the Concessionaire and sub-licensee

Performance Security & Guarantee

Performance Security: 5% of Project Cost
Performance Guarantee: 2.5% of Project Cost

Approvals

All required approvals to be facilitated by the Concessionaire under Applicable laws. Land to be made available by UPSRTC by Appointed Date (as per DCA)

Criteria - Minimum Eligibility (1/2)

Single Entity or Consortium

A Bidder can be a single business entity or a Consortium (a group of entities with a formal intent to collaborate), but no entity can be a member of multiple Bidders, and Consortiums are eligible subject to meeting specific conditions.

International Bidders: Power of Attorney required

International Bidders must obtain a Power of Attorney that is notarized in their jurisdiction, legalized/apostilled by an appropriate authority, and compliant with the Indian Stamp Act, 1899.

Recognized Business Entities for Participation

A business entity includes a Partnership Firm, Limited Liability Partnership (LLP), Company, or Cooperative Society registered/incorporated under relevant Indian laws or equivalent laws outside India (**).

Registration: Bid Submission and Acceptance

Registration must be valid at the time of bid submission and acceptance. Once validated at acceptance, registration status will not be a consideration during contract execution.

(**)

- ❖ Partnership Firm (Indian Partnership Act, 1932)
- ❖ LLP (Limited Liability Partnership Act, 2008)
- ❖ Company (Indian Companies Act, 1956/2013)
- ❖ Cooperative Society (Uttar Pradesh Cooperative Societies Act, 1965)

Registration for Bidders from Neighboring Countries

Bidders from countries sharing a land border with India must be registered with the Competent Authority specified in Ministry of Finance's Order on Public Procurement (No. 1).

- Entities incorporated/registered in such a country
- Subsidiaries of entities incorporated/registered in such a country
- Entities controlled through entities incorporated/registered in such a country
- Entities with beneficial owners in such a country
- Agents of such entities
- Natural persons who are citizens of such a country
- Consortiums/JVs with members from such countries

Conflict of Interest & Non-Compliance Consequences

Bidder must not have a conflict of interest that impacts the Bidding Process. Non-compliance will result in disqualification. In such cases, the Authority can claim 25% of the Bid Security/Performance Security as pre-estimated damages, covering costs and efforts spent on evaluating the disqualified Bidder's proposal.

Advisor Conflict of Interest Policy: Disqualification and Bid Security Forfeiture

Bidder will be disqualified and forfeit their Bid Security if they engage a UPSRTC advisor related to the Project, for bid preparation, submission, or project execution. Exception: If the advisor's assignment expired or was terminated 6 months prior to RFP issue and if advisor is engaged after 3 years from project commercial operation date

Eligibility Conditions

Technical Capacity

- Bidder shall have paid or received payments for construction of project
- Paid for development of project
- Collected and appropriated revenues from project
- Such that the sum total should be more than Technical Capacity (100% of EPC) over the past 8 FY preceding to Bid Due Date
- **Sectors*- defined**

Financial Capacity

- Bidder shall have a minimum financial capacity of Net Worth (25% of EPC) and Minimum Average Annual Turnover (50% of EPC)
- Bidder shall have positive net cash accrual in at least 3 of last 8 FYs

Consortium

- Consortium shall not have more than 4 members, and Bid information shall be submitted for all members in order of their equity contribution, with detailed information required for each member
- The Consortium shall nominate a Lead Member, which shall hold at least 26% equity in the Concessionaire SPV, commit to maintaining this holding until COD 2, and ensure the Lead Member holds at least 5% of the Total Project Cost, supported by a Power of Attorney from all Consortium members.

O&M Experience

- Bidder shall have undertaken at least 1 project with a capital cost of Rs. 5 crore over past 8 FYs
- If not, then enter into an agreement for a period of 5 year from COD 1, with an entity before LOA

()- Sector: may be any or a combination of sectors from bus stations/ terminals, bus stations/ terminals integrated with commercial establishments, highways/expressways/bridges/tunnels, ports, airports/airfields, railways, metro rail, industrial parks/estates commercial set-ups, (SEZs etc.), logistic parks/MMLP, stadium, hospital, hotel, smart city, warehouses/silos and real estate development or any other sector such as MLCP or institutional buildings, midway plazas, convention centre, shopping mall*

Bid Requirement (1/2)

Eligibility Criteria

- **Net Worth:** Sum of subscribed & paid-up equity and reserves, minus revaluation reserves, miscellaneous expenditure not written off, and reserves not available for distribution to equity shareholders.
- **Consortium Requirements:** Combined financial and technical capacity of members holding at least 26% equity in the Concessionaire SPV must meet eligibility conditions.
- Each member must hold at least 26% of the SPV's equity until commercial operation and at least 5% of the Total Project Cost.
- O&M Member must hold at least 10% of the SPV's equity for 5 years from commercial operation.

Experience and Qualification

- **Experience:** Bidder must have, within the last 8 financial years, either received payments for or paid for construction works, development, or collected revenues from project assets.
- **Equity Holding:** Entity must have held a minimum of 26% equity in the project company throughout the year for which eligibility is being claimed.
- **Project Cost:** Each project's capital cost must exceed 5% of EPC.

Evaluation and Weightage

- **PPP Projects:** Projects undertaken in PPP modes for public sector entities will be given 1.5 times higher weightage compared to other project modes.
- **No double counting:** Bidders can cite a project under one category only, with no double counting allowed, individually or within a Consortium.

Bid Requirement (2/2)

Bidder and Consortium Requirements

- **Debarment:** Bidder and its Consortium members must not be debarred or non-performing.
- **Performance Failures:** Bidder, Consortium Member, or Associate must not have faced performance failures, penalties, contract terminations, or expulsions from projects/contracts with public entities in the last 3 years.

Bid Preparation and Submission

- **Bid Costs:** Bidders shall be responsible for all of the costs associated with the preparation of bids and their participation.
- **Due Diligence:** Bidders are encouraged to visit the Project site, conduct due diligence, and verify site conditions before submitting their bids.

Local Content Requirement

- **Self-Certification:** Bidder to submit Self-certification that the items offered meets the local content requirement for Class-I Local Supplier/ Class-II Local Supplier.
- **Local Content Calculation:** Local to submit Self-certification that the items offered meets the local content requirement for Class-I Local Supplier/ Class-II Local Supplier.
