

9th Edition of the Bengaluru Space Expo (BSX 2026), Scheduled from 7-9 September 2026 at the Bangalore International Exhibition Centre (BIEC), Bengaluru, India

The Confederation of Indian Industry (CII), in partnership and associations with the Indian Space Research Organisation (ISRO), the national space agency of India; Indian National Space Promotion and Authorization Center (IN-SPACe) and NewSpace India Limited (NSIL) is organising the **'9th Edition of the Bengaluru Space Expo (BSX 2026), Scheduled from 7-9 September 2026 at the Bangalore International Exhibition Centre (BIEC), Bengaluru, India'**. [BSX 2026 - Brochure](#).

2. CII in partnership ISRO has been organising its biennial flagship event- Bengaluru Space Expo (BSX), an international conference and exhibition since 2008. The three-day event will feature an International Conference and Exhibition themed 'Harnessing Space for Global Progress: Innovation, Policy, and Growth'. Indian industry, along with leading global players from the space domain, has been actively and consistently participating in BSX since 2008.

3. The 2026 edition, themed "**Harnessing Space for Global Progress: Innovation, Policy, and Growth**", will feature a three-day international conference and exhibition; B2B meetings, and dedicated sessions highlighting India's policy initiatives aimed at encouraging private sector participation and international collaboration in the space sector. **For more information, visit https://bsxindia.com/bsx_overview.php**

4. BSX 2026 will provide an ideal forum for Indian and international space agencies and companies to showcase capabilities, explore joint ventures, strengthen partnerships, and identify new avenues of cooperation in space and allied sectors. The event is expected to attract leading stakeholders from across the global space ecosystem.

5. **BSX 2026: Key Focus Areas**

- EO, Remote Sensing & Geospatial Intelligence
- Emerging & Critical Space Technologies
- Human Spaceflight & Space Exploration
- Innovation & Research
- Launch Vehicles & Access to Space
- Satellite Systems & Satcom
- Space Policy, Regulation, Commerce & Financing
- Space Sustainability, Safety & Debris Mitigation
