

**Bharat Renewable Energy Summit and Expo, 2-5 November 2026, Bharat
Mandapam Convention Centre, New Delhi, India**

The Ministry of New & Renewable Energy (MNRE) is organizing the Bharat Renewable Energy Summit & Expo (BRES), its flagship international platform dedicated to advancing investment, innovation and collaboration across the global renewable energy ecosystem. The inaugural edition, to be held from 2–5 November 2026 at Bharat Mandapam, New Delhi, marks the beginning of a new chapter in India's renewable energy journey. It will be held alongside the 9th Session of the International Solar Alliance (ISA) Assembly and the 4th International Conference on Green Hydrogen (ICGH), BRE Summit 2026 reflects India's commitment to bringing the global clean energy community together to shape a more sustainable and resilient future.

2. Bringing together governments, policymakers, industry leaders, investors, innovators, researchers, multilateral organisations and international institutions, BRE Summit 2026 serves as a catalyst for accelerating renewable energy deployment through strategic partnerships, technology exchange and knowledge sharing. For more information please click- <https://www.bresummit.in/>

3. The Previous edition, held as RE-INVEST in Gandhinagar, Gujarat in September 2024, had attracted over 25,000 delegates and 360 companies.

4. The 4th Global Renewable Energy Investors' Meet & Expo reflected the scale and impact of this legacy. It featured 43 high-level sessions and welcomed over 50,000 delegates, including 250 international delegates and 250 speakers. Participation extended across 30 States and Union Territories, including eight partner states, while partner countries such as Denmark, Germany, Norway and Australia, along with delegates from the UAE, Singapore and Bhutan, reinforced its global reach.

5. Discover innovative technologies, products and solutions from organisations across the renewable energy value chain. From clean energy generation and manufacturing to digital technologies, storage, mobility and financing, the Expo showcases the ideas driving tomorrow's energy landscape. For more information, please write to mail@bresummit.in To register please click- <https://www.bresummit.in/register>.

6. In case any additional information and assistance regarding travel and visa are required, please feel free to contact Amit Kumar (Marketing Executive), email com2.berne@mea.gov.in. For the latest updates on trade and events in India, please visit the Embassy of India, Berne website (<https://www.indembassybern.gov.in//section/events-trade-fairs/>).

3 flagship events. One shared vision.

The Ministry of New & Renewable Energy presents one of the world's largest renewable energy expos.

Bharat Renewable Energy Summit & Expo 2026, the 9th Session of the International Solar Alliance (ISA) Assembly, and the 4th International Conference on Green Hydrogen (ICGH) will bring together Heads of State and Government, ministers, policymakers, industry leaders, investors, innovators, development partners and international organisations to accelerate the global clean energy transition through dialogue, collaboration and action.

KEY HIGHLIGHTS

-  Participation from 130+ countries
20+ state governments
300+ high-level delegates
-  80+ sessions, 500+ speakers – plenary discussions, technical sessions, policy and regulatory industry roundtables
-  Green hydrogen networking at ICGH 2026
-  Building a solar-powered future through international cooperation at the ISA Assembly
-  75,000+ participants expected
-  35+ knowledge partners
-  One mega expo with 400+ exhibitors

FOCUS AREAS

Investment & Green Financing

Solar Energy & Global Solar Markets

Green Hydrogen

Wind & Hybrid Energy Systems

Distributed Renewable Energy (DRE)

Skill & Capacity Building and Role of Women in RE

Digitalisation & AI in Energy

Bio Energy & Small Hydropower (SHP)

Energy Storage & Grid Integration

Clean Energy Manufacturing

UNLOCK GLOBAL OPPORTUNITIES

Explore

Investment opportunities across renewable energy & green hydrogen

Build

Partnerships with governments, industry & financial institutions

Connect

With buyers and suppliers from across the world

Discover

Cutting-edge technologies & innovations

Gain

Insights into future renewable energy trends, policies, and markets

Be a part of the global clean energy movement and witness India's green energy leadership
