The Confederation of Indian Industry (CII) is organising the **CII Annual Business Summit 2026, on 11–12 May 2026 at Hotel Taj Palace, New Delhi, India.**

2. At a time when the global economy is navigating heightened uncertainty and geopolitical shifts, reinforcing India's position as a stable and attractive destination for investment and growth assumes added significance. Over the past years, India has embarked on a defining agenda of reforms, policies, and initiatives, and is now progressing towards the vision of Viksit Bharat, with the endeavour of transforming the country into a developed and self-reliant nation by 2047. The evolving global landscape, along with this vision for India@100, underscores the need for deeper dialogue between government and industry to navigate emerging risks and opportunities.

3. The Summit will focus on the **Future of the Global Economy, Industry, and Society**, alongside the **Vision for India@100**, and will serve as a platform for deliberations on how India and Indian industry can build resilience and chart pathways for sustained growth in a rapidly evolving global environment.
