Inaugural edition of the Bharat Electricity Summit 2026, Scheduled from 19-22 March 2026 at Yashobhoomi, New Delhi, India

The Engineering Export Promotion Council of India (EEPC) India is the nodal body under the Ministry of Commerce and Industry, Government of India, working towards the promotion of trade and investments in the engineering sector is the lead coordinating agency to the **inaugural edition of the Bharat Electricity Summit 2026, Scheduled from 19-22 March 2026 at Yashobhoomi, New Delhi, India.** [For Brochure – CLICK HERE.](#)

2. Bharat Electricity Summit 2026 is a premier international exhibition and conference on electrical & power sector to be held under the patronage of the Ministry of Power, Government of India. It is jointly hosted by POWERGRID (nodal), NTPC, NHPC, REC and PFC, the Summit will convene over 25,000+ energy professionals, 500+ exhibitors, 300+ speakers and 1000+ delegates from across the globe.

3. Launching at a pivotal moment in the evolution of global power systems, the Bharat Electricity Summit 2026 establishes a world-class platform connecting India's power ecosystem with international innovators, policymakers and investors. The Bharat Electricity Summit 2026 will showcase a powerful line-up of national and international participation, featuring leading companies, country and state pavilions, and a dedicated **Buyer-Seller Meet** that connects industry leaders and solution providers.

4. **Overseas Buyers:** In this connection, the organizing committee of Bharat Electricity Summit is offering an Airfare Assistance Program to the prospective buyers from Switzerland, subject to the approval from BES-2026 organizing committee. The approved overseas buyers shall be entitled to the following:

- Complimentary 4 Nights of hotel accommodation
- Partial airfare disbursement (as mentioned in the online registration form)
- Focused B2B meetings with profile matched Indian exhibitors.
- Complimentary airports pick up & drop shuttle service.
- Complimentary exhibition centre drop & pick up service.

5. BENEFITS FOR EXHIBITORS

- **QUALIFIED BUYER ACCESS:** Meet directly with pre-screened, high-value buyers actively sourcing solutions for current and upcoming projects.
- **ACCELERATED SALES CYCLE:** Engage decision-makers at the right time, in the right place — reducing sales lead times and maximising business outcomes.
- **ENHANCED VISIBILITY:** Stand out as a key partner in India's power and electricity transformation by participating in exclusive meetings.
- **ROI-DRIVEN PROGRAMME:** Convert conversations into contracts by connecting with buyers who are committed to sourcing new technologies, equipment, and services.

6. **Registration:** Buyers can register online using following weblink - (full details of the airfare assistance program is mentioned on the weblink)
