

Country of the year 2026: India

BIOFACH

Invitation to Visit India Pavilion and Attend Networking Events at BIOFACH 2026

India is the Country of the Year at **BIOFACH 2026, scheduled to be held from 10-13 February 2026 at Nuremberg, Germany.** The Agricultural and Processed Food Products Export Development Authority (APEDA) is organizing India's participation as the Country of the Year. Approximately 70 co-exhibitors, including Indian exporters, Commodity Boards, and State Governments, are participating under India Pavilion. To know more about '**Land des Jahres 2026: Indien**' visit <https://www.biofach.de/de-de>.

2. Under the theme **Growing Tomorrow: Young Voices, Bold Visions**, BIOFACH 2026 will focus on the next organic generation – young changemakers who are shaping the future of organic with fresh ideas, bold visions and clear demands. They will engage in dialogue with experienced industry representatives. BIOFACH provides the space for genuine intergenerational exchange, mutual inspiration and collaborative solutions.

3. **APEDA - Organic Agriculture:** Organic Agriculture is a system of crop and livestock production designed to optimize the productivity and health of diverse communities within the agro-ecosystem, including soil organisms, plants, livestock and people while prohibiting the use of pesticides, fertilizers, genetically modified organisms, antibiotics and growth hormones. This farming method provides several benefits to both producers and consumers and is quite important for the sustainable development of the earth's ecosystem.
