

9, 10 & 11 DECEMBER 2026

Hall 6, Bharat Mandapam, New Delhi

Municipalika 2026 – 19th International Exhibition & Conference on Safe, Smart & Sustainable City Solutions, 9–11 December 2026 -New Delhi.

India's vision of Viksit Bharat 2047 is driving a transformative phase of urban development, with significant investments across infrastructure, housing, mobility, water, public works and sustainable city solutions. This presents a strong opportunity to deepen international partnerships and bring global expertise, technologies and investment into India's urban ecosystem.

2. Municipalika 2026 – the 19th International Exhibition & Conference on Safe, Smart & Sustainable City Solutions, is being jointly organized by Fairfest Media Limited, Good Governance India Foundation with India Trade Promotion Organisation serving as official co-organiser from 9–11 December 2026 at Hall 6, Bharat Mandapam, New Delhi.

3. Over two decades, Municipalika has evolved into one of India's most comprehensive B2G and B2B platforms for urban innovation, infrastructure and city development. It connects international companies and institutions directly with policymakers, municipal commissioners, urban development authorities, public works departments, planners, engineers, EPCs, developers, technology providers, trade bodies and procurement stakeholders. The 2026 edition expects more than 300 exhibitors, 3,000 delegates and 10,000 trade visitors from over 25 Indian states. For more information please click - www.municipalika.com.

4. Municipalika is held alongside CAPEX (Construction, Architecture, Planning & Engineering Expo) and PWX (Public Works Expo), forming an integrated event covering the full urban development and public works chain. The programme includes a three-day multi-track conference, B2B meetings and awards. The exhibition covers

- Water and wastewater
- Sanitation
- Solid waste management and recycling
- Urban infrastructure and housing
- Smart and digital cities
- Urban transport and electric mobility
- Environment and pollution control
- Safety and security
- Public works.

5. Why Municipalika Matters for International Companies

- Direct Government & City Access- Engage with municipal authorities, government departments, urban development agencies and public-sector stakeholders responsible for planning, procurement and implementation.
- B2G & B2B Opportunities- Connect with EPCs, infrastructure developers, consultants, architects, engineers, technology partners and solution providers across India.
- Pan-India Market Access- Engagement with stakeholders from 25+ states and hundreds of cities enables international companies to explore opportunities across multiple regions and urban markets.

- Technology & Solution Showcase- Present relevant technologies, products and implementation models directly to stakeholders working across India's urban infrastructure priorities.
- Knowledge & Institutional Engagement- Participate in conference sessions, city exchanges and technical discussions involving policymakers, practitioners and urban experts.
