

PLASTIVISION INDIA 2027 – International Plastics Exhibition, 21–25 January 2027 – Mumbai, India

PLASTIVISION INDIA 2027, the 12th edition of the international plastics exhibition, is organised by the All-India Plastics Manufacturers' Association (AIPMA), a not-for-profit apex industry association established in 1945. The exhibition will take place from 21–25 January 2027 at the Bombay Exhibition Centre (NESCO), Goregaon (East), Mumbai, India.

2. PLASTIVISION INDIA is a major B2B meeting point for plastics manufacturers, raw-material suppliers, machinery and equipment producers, mould makers, processors, technology providers and buyers. The organiser projects over 1,500 exhibitors from more than 30 countries, approximately 250,000 business-visitor footfalls from over 100 countries, and over 200 hosted buyers from more than 40 countries for the 2027 edition. These figures are event projections. For further information, please visit www.plastivision.org.

3. The exhibition brings together a wide range of sectors across the plastics value chain. Key exhibitor categories include:

- Raw materials, including polymers, rubbers and thermosets
- Additives and compounds
- Manufacturing machinery and automation
- Ancillary equipment and machinery
- Post-processing machinery
- India Molds Pavilion
- Flexible packaging and finished goods
- Recycling and sustainable plastics solutions
- Services, industrial design and research institutions

4. Why PLASTIVISION INDIA 2027 Matters for International Companies

- Market Access – Engage with plastics manufacturers, processors, suppliers and buyers in India's expanding domestic market.
- B2B & Sourcing Opportunities – Meet potential distributors, suppliers, manufacturing partners and customers through industry networking and structured business meetings.
- Technology & Product Showcase – Explore new developments in plastics machinery, materials, automation, moulds, packaging and recycling.
- International Networking – Connect with industry participants from across the world and identify prospects for exports, sourcing and investment.
- Business Development – Build commercial relationships through the exhibition and the International Buyer Seller Meet.

6. Hosted Buyer Programme: Selected international buyers may receive 2–3 nights of hotel accommodation on a twin-sharing basis; complimentary hotel breakfast and exhibition-venue lunch; group transfers between the hotel and exhibition venue; complimentary exhibition entry; guided exhibition tours and sourcing assistance; access to the Reverse Buyer Seller Meet (RBSM) and pre-scheduled B2B meetings; and an official exhibition guide and exhibitor directory. International airfare is to be arranged and borne by participants. Selection and benefits are subject to organiser confirmation.

7. For registration, please use the link <https://www.plastivision.org/visitor-registration.php>. The event brochure is available at <https://plastivision.org/assets/pdf/plastivision-india-brochure-august-2026.pdf>.

8. In case any additional information and assistance regarding travel and visa are required, please feel free to contact Amit Kumar (Marketing Executive), Embassy of India, Berne, at com2.berne@mea.gov.in.
