PharmaCore India

West India's Leading Trade Fair for CDMO, API, Excipients & Formulations

April 21-23, 2027

Jio World Convention Centre, Mumbai

PharmaCore India 2027 | 21–23 April 2027, Mumbai, India

PharmaCore India 2027, a dedicated trade fair for the pharmaceutical industry, will be held from 21–23 April 2027 at the Jio World Convention Centre, Mumbai, India. Jointly organised by Messe Muenchen India and the Indian Drug Manufacturers' Association (IDMA), the event aims to bring together key stakeholders across the pharmaceutical value chain, creating opportunities for business development, industry collaboration and technological advancement.

2. PharmaCore India serves as a specialised marketplace for pharmaceutical manufacturers, ingredient suppliers, contract development and manufacturing organisations (CDMOs), formulation companies and other industry stakeholders. The exhibition provides a platform to connect domestic and international businesses, explore emerging market opportunities and strengthen partnerships across the pharmaceutical manufacturing ecosystem. For more details, please visit: https://pharmacoreindia.in/.

3. The event will focus on essential segments of the pharmaceutical industry, including active pharmaceutical ingredients (APIs), key starting materials, intermediates, excipients, finished formulations and contract manufacturing services. It will facilitate business networking and knowledge exchange among pharmaceutical companies, raw material suppliers, manufacturers, distributors, procurement professionals and industry decision-makers. Event Brochure- https://pharmacoreindia.in/wp-content/uploads/2026/09/BrochurePCI.pdf.

4. PharmaCore India 2027 will provide opportunities to explore developments and business solutions across the following segments:

- Active Pharmaceutical Ingredients (APIs)
- Key starting materials and pharmaceutical intermediates
- Pharmaceutical excipients and formulation ingredients
- Finished dosage forms and formulations
- Contract Development and Manufacturing Organisations (CDMOs)
- Pharmaceutical supply chains and manufacturing solutions

5. The exhibition will enable participants to identify potential suppliers and buyers, establish strategic partnerships, explore contract manufacturing opportunities and develop business relationships in India's pharmaceutical market. Co-located with analytica Lab India Mumbai 2027, PharmaCore India will also provide access to a wider ecosystem of pharmaceutical, laboratory and analytical technology stakeholders, encouraging collaboration between pharmaceutical production and laboratory innovation.

6. For further information regarding the exhibition, please contact Mr. Yatish Sharma, email- yatish.sharma@mm-india.in. For exhibition participation and business opportunities, please visit the official website: https://pharmacoreindia.in/.
