

HOMELAND SECURITY 2019

August 22-23, 2019 | FICCI, New Delhi

INNOVATION LED CYBER CRIME MANAGEMENT

OVERVIEW

FICCI on an annual basis organises a conference on Homeland Security, which witnesses participation from senior officials from Government of India, Central Armed Police Forces (CAPFs) and various State Police Forces (SPFs). The eleventh edition of the Homeland Security programme will be organised in partnership with 'Vivekananda International Foundation'. The theme of this year's programme is 'Innovation led Cyber Crime Management'.

The programme aims to bring together stakeholders from the Government, Intelligence & Police Forces, Industry, Academia & Think Tanks to promote development and implementation of systems and concepts to combat cyber-crime, encourage 'Make-in-India' for Cybersecurity and provide platform to Indian startups for understanding the requirements of Government agencies and support them to promote indigenous expertise in cyber security.

India vulnerable to cyber attacks but doesn't have capacity to deal with it: Home Secretary
 Crime is also undergoing a massive tectonic change in its modus operandi, it is moving from physical space to virtual space.

Cybercrime more sophisticated, need to develop capacity: EY-FICCI report
 The report calls for strong bilateral agreements on cybercrime investigations, information sharing, intelligence among others.

Cybercrimes should be considered as phone frauds Predictive policing is needed to disrupt the expanding web of crime
 By N V Priva Posted On : May 31, 2018 in Business & Politics, News Delhi

National Cybersecurity coordinator Gulshan Rai cautioned how cyber attacks have become very complex

"Today hackings are very different. All the recent cybercrimes involve manipulation of several technologies. If you ask me, every case is a case of cyber warfare. As of today, 90 pc cases are cybercrimes, nine pc are targeted attacks and one pc is cyber-terrorism,"

FICCI Smart Innovative Policing Award to AP Police
 The Hans India
 1 Jun 2018 11:07 PM GMT

HIGHLIGHTS
 The Federation of Indian Chambers of Commerce and Industry (FICCI) presented special jury award to the Andhra Pradesh Police, for incorporating smart innovative policing in the state.

Ongele: The Federation of Indian Chambers of Commerce and Industry (FICCI) presented special jury award to the Andhra Pradesh Police, for incorporating smart innovative policing in the state.

The Prakasam district police also received appreciation from the federation for introducing eVerity app, to track down criminals.

The FICCI and Vivekananda International Federation have organised a workshop on 'Home Land Security 2018 and Cyber Crime Management' in New Delhi on May 30 and 31.

They shared information and discussed on Cyber Crime, Cyber Security, Next Generation Technologies and Opportunities for Police with the experts from industry and police academies.

Vijay Goel confers FICCI Smart Policing Awards 2018
 Thursday, 31 May 2018

Statistics and Programme Implementation Minister Vijay Goel today conferred FICCI Smart Policing Awards 2018 to police officials of central armed police force and states police in New Delhi. The 3rd edition of the event, which is part of two-day long conference on Homeland Security-Cyber Crime Management, is aimed at showcasing smart initiatives and best practices taken by the police to combat crimes in their respected area.

Vivekananda International Foundation is a non-partisan institute for dialogue and conflict resolution from a nationalist perspective. Some of India's leading experts in the fields of security, military, diplomacy, governance, etc have got together under the institute's aegis to generate ideas and stimulate action for greater national security and prosperity. Independently funded, VIF is not aligned to any political party or business house.

FICCI is the voice of India's business and industry. Established in 1927, it is India's oldest and largest apex business organization. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.
