

## **9th Edition of India Mobile Congress (IMC) 2025, Scheduled from 08-11 October 2025 at Yashobhoomi, Dwarka, New Delhi, India**

The Department of Telecommunications (DoT), Ministry of Communication, Government of India, along with the Cellular Operator Association of India (COAI) is co-organising the **'9th Edition of India Mobile Congress (IMC) 2025, Scheduled from 08-11 October 2025 at Yashobhoomi, Dwarka, New Delhi, India'**. The event will centre around AI, Quantum Technology, and Cyber Security, with highlights on 5G use cases, electronic manufacturing, IoT, green technology and satellite communications.

### **2. About IMC 2025**

IMC 2025 positions innovation as the engine of India's progress—driving transformation across telecom, industry, infrastructure, society, and sustainability while guiding the nation's journey towards Viksit Bharat by 2047. As a global platform, it brings together leaders, startups, investors, and partners to foster collaboration, showcase India's strengths in telecom, electronics, and digital inclusion, and prepare the country to lead in 5G, 6G, AI, satcom, quantum, electronics manufacturing, and cybersecurity—building an inclusive, self-reliant, and globally prominent Bharat. For more information, visit <https://www.indiamobilecongress.com/>

### **3. Why Exhibit at IMC 2025?**

- i. **Showcase your innovations:** Present your innovative tech solutions at Asia's largest stage for digital technology in a wide range of domains in the sector, ranging from 5G, 6G, AI, cybersecurity, Satcom, and more.
- ii. **Meet the trailblazers:** With experts, innovators, and enthusiasts from across the world under one roof, at IMC you get a chance to interact with the who's who of the industry.
- iii. **Collaborate with tech enthusiasts:** Get an opportunity to network with fellow tech enthusiasts and build meaningful connections.
- iv. **Stay on top of latest industry trends:** Witness the latest advancements reigning in the technology industry and experience tech transformation like never before.

### **4. IMC Awards**

The IMC Awards are not just accolades but a celebration of technological brilliance, ingenuity, and transformative impact. Each year, we recognize the extraordinary businesses, innovations, and institutions that are driving progress and setting new benchmarks in their fields. By spotlighting the achievements, we aim to inspire others to innovate, disrupt, and excel.

# INDIA MOBILE CONGRESS 2025

Leading the Next Chapter in Innovation

The 9th edition of the India Mobile Congress (IMC) is poised to be a landmark event, bringing together the brightest minds and leading innovators in the technology and telecommunications sectors. Scheduled from **8-11 October 2025 at Yashobhoomi, New Delhi**, this year's edition promises to build on the legacy of its predecessors by fostering collaboration, showcasing cutting-edge advancements, and addressing the challenges and opportunities of a rapidly evolving digital landscape. Organized by the Department of Telecommunications (DoT) and the Cellular Operators Association of India (COAI), IMC 2025 will serve as a global platform for industry leaders, policymakers, and technology enthusiasts to explore the future of connectivity, sustainability, and innovation.

As we gear up for this transformative experience, IMC 2025 aims to inspire new ideas, forge strategic partnerships, and accelerate the adoption of next-generation technologies that will redefine how we live, work, and connect.

# What Awaits you at IMC 2025?

India Mobile Congress 2025 will be more than another tech event— it will be a convergence of dreams, technologies, and aspirations shaping tomorrow's digital landscape.

Here's what's in store for you at IMC 2025:

## **Tomorrow's Tech Today**

Discover the latest innovations across 5G, 6G, Artificial Intelligence, satellite communication, electronics manufacturing, quantum computing, and more. Witness product launches and technology demonstrations that will define the future.

## **Deep Dive Experiences**

Engage with interactive showcases, and unique technology use cases that bring cutting-edge technologies to life. Explore real-world applications and future possibilities

## **Global Networking Redefined**

From industry leaders and innovators to policy makers and investors, IMC 2025 brings together the entire tech ecosystem. Build meaningful relationships, discover collaboration opportunities, and expand your network with the people shaping tomorrow's digital world.

## **Visionary Thought Leadership**

Gain fresh perspectives from global tech leaders, policymakers, and disruptors driving the future of innovation. Through keynotes, panel discussions, and workshops, stay ahead of emerging trends, policy shifts, and technological advancements that are shaping tomorrow's industries.

## **Business, Amplified**

Unlock new opportunities for growth through strategic partnerships and investment possibilities. Explore collaborations that accelerate business transformation and position you for success in a rapidly evolving digital ecosystem.

# Facilitating Collaboration

At IMC, we don't just showcase innovation in tech, but also in the ways you can network and engage with your clients and changemakers. This year at IMC 2025, we're bringing you new ways to connect with fellow tech enthusiasts.

## IMC Socials

Here, conversations go beyond conference halls. IMC Social is a series of curated, informal gatherings that take place beyond the main conference hours. Set in relaxed, ambient spaces across the city, it's where conversations flow freely and connections happen naturally, because some of the most meaningful exchanges aren't always on the official agenda.

## IMC Mixers

From telco equipment manufacturing to trust and privacy, our themed mixers bring together experts and enthusiasts in focused, high-energy formats, so you meet the right people and ignite connections that last.

# CONFERENCE FLOW

## Day 1

- IMC 2025 Inauguration
- Industry Keynotes
- Panel discussion on Green Telecom, X-RAN, Telecom component & manufacturing, Circular Economy, Nuclear Energy Diversity 4 Tech, Autonomous Networks, Smart Gadgets, and Next-generation transport technologies
- Space Networks for Universal Connectivity Control
- International Buyer-Seller Meet
- State IT secretary round table

## Day 2

- International 6G Symposium
- Keynotes
- Robotics for Good Youth Challenge
- Panel discussion on AI Data centers, Skilling, AI Data centers, IP laws and SEPs, Gen AI, Open API, Data Privacy, DPIs, Policy and Zero-touch regulation
- Sessions on AI and Sensing Applications, The Convergence of Computing, Connectivity, and AI, and AI Chipset
- Cyber Security Summit
- Industry CEO RT
- India - US Round Table

\*The program is subject to change as it matures

- 
- A man in a blue suit stands with his arms crossed, looking towards the left. He is in a large, modern conference hall with a high ceiling and other people in the background. The lighting is dim, with some bright spots from the ceiling lights.
- AI for Good Summit
  - Startup World Cup 2026 India
  - Quantum Summit
  - Cyber Security Summit
  - International 6G Symposium
  - Regulatory Conference
  - Panel discussion on Global Frameworks for Spectrum and Standardization, 5G Use cases
  - Analyst Session
  - India - UK Roundtable
  - India - Japan Round Table
  - India - Russia Round Table
  - IMC Awards

**Day 3**

The Startup Program

# Aspire

Igniting the  
future of  
Entrepreneurship

Aspire at IMC 2025 is where bold ideas meet boundless opportunity. Designed to empower emerging startups, this program offers a dynamic platform to showcase innovations, connect with investors, and scale for global impact.

Aspire is not just a program—it's a launchpad for startups to scale, innovate, and thrive. By aligning with the IMC ecosystem, startups gain unparalleled access to resources, industry networks, and global visibility.

## **Startup Showcases:**

Discover breakthrough solutions as startups present their innovations to industry leaders and potential investors.

## **Mentorship & Workshops:**

Gain insights from experienced entrepreneurs and industry experts to refine your business strategy.

## **Live Pitches:**

Present your ideas to potential investors, accelerators, and decision-makers in the tech ecosystem.

## **Networking & Partnerships:**

Build connections with investors, corporates, and tech visionaries to drive growth and collaboration.
