

6th Edition of the Global Artificial Intelligence Summit & Awards (GAISA 6.0), Scheduled from 10-11 Feb. 2026, at Yashobhoomi, New Delhi, India

All India Council for Robotics & Automation (AICRA) is organising the '6th Edition of the Global Artificial Intelligence Summit & Awards (GAISA 6.0), Scheduled from 10-11 Feb. 2026, at Yashobhoomi, New Delhi, India'.

2. GAISA has established itself as one of the most prestigious platforms in the field of Artificial Intelligence, bringing together global leaders, policymakers, industry experts, researchers, and innovators to deliberate on the latest trends, challenges, and opportunities in AI. The summit will cover key sectors such as Defence, Healthcare, FinTech, Smart Cities, Industrial Automation, Education, and Cyber Security through expert panel discussions, industry roundtables, and networking sessions. For more information, visit <https://www.gaisa.in/>.

3. **GAISA 6.0 CONFERENCE:** The conference at the Global Artificial Intelligence Summit & Awards (GAISA) 6.0 is a premier gathering of AI professionals, thought leaders, and innovators. It serves as a dynamic platform for sharing knowledge, exploring emerging AI trends, and discussing the future of artificial intelligence across various industries. The event includes keynote addresses, panel discussions, technical sessions, and workshops led by global AI experts, making it an essential destination for anyone involved in the AI.

4. Key Highlights of GAISA 2026 includes:

- i. **Insightful Keynotes and Panels:** Gain valuable insights from leading AI researchers, entrepreneurs, and policymakers on the latest trends and innovations.
- ii. **Networking Opportunities:** Connect with industry professionals, academics, and AI enthusiasts to foster partnerships and collaborations.
- iii. **Hands-on Workshops:** Participate in practical sessions to learn about cutting-edge AI technologies and their real-world applications.
- iv. **Industry-Specific Applications:** Discover how AI is transforming sectors like healthcare, finance, education, and manufacturing.
- v. **Collaborative Learning:** Engage in discussions about ethical AI development, transparency, and the societal impacts of AI.

5. Focused Industries Participating:

- Technology & Software Development
- FinTech & Financial Services
- Healthcare & Biotechnology
- E-commerce & Retail
- Renewable Energy & Sustainability
- Artificial Intelligence & Robotics
- Agritech & Food Innovation
- Education & EdTech
- Manufacturing & Automation
- Telecommunications & Connectivity
- Logistics & Supply Chain
- Media & Digital Marketing
- Smart Mobility & Automotive
- Travel & Hospitality

- Legal & Intellectual Property Services
- Government & Policy Institutions

6. **Benefits of Exhibiting:**

- Showcase your products to various industry stakeholders.
- Look for tie-ups and partnerships with corporate and institutions
- Pitch and network with PE, VC and government funding bodies.
- Generate new sales leads.
- Expand your business network- leverage your brand identity.
- Raise your profile in the industry and add more business association.
- Strengthen your brand nationally.
- Attract potential investors and strategic partners.
- GAISA Awards to recognizing best tech AI Contributors.

7. Participation and support will not only strengthen bilateral cooperation in Artificial Intelligence and emerging technologies but also open new avenues for collaboration in the field of artificial intelligence. **Event Schedule:** <https://www.gaisa.in/schedule>

8. **Registration and Delegate Pass for GAISA 6.0:** grants access to exclusive events, networking sessions, and workshops at the conference. It offers delegates opportunities to engage with industry experts, explore innovations, and participate in discussions on global advancements. This pass enhances the overall experience for professionals attending GAISA 6.0. **For Tickets and registration** <https://gaisa.in/summit>.

9. For Partnership, Coordination, Exhibition and Registration, related inquiry, interested delegates / association / company's / representatives can contact **Mr. Nivish Singh, Project Head, All India Council for Robotics & Automation (email: nivish@aicra.co.in)**

10. In case any additional information is required, please feel free to contact Mr. Amit Kumar (Marketing Executive), email com2.berne@mea.gov.in. For the latest updates on trade and events in India, please visit the Embassy of India, Berne website (www.indembassybern.gov.in/trade.php).
